Building Amazing Experiences

Who the hell
are we

We believe in the power of
experiences. We make digital
experiences that matter.
Simply put, experiences
build relationships and
relationships build brands.

Our Journey

THE BEGINNING

Started the journey as a Sole-Proprietorship with Tech-Support process for USA and Canada.

PVT LTD REGISTRATION

Registered the company as Pvt Ltd and acquired many clients in USA, UK and across India.

ENTERED INTO OVERSEAS RECRUITMENT

We are a strong and time honored Recruitment team serving clients across Gulf, Europe, Australia, Canada and American region.

2016

2017

2018

2019

2020

Exploring
New
Opportunity

EXTENDED REACH

Extended reach across India by working with different service partners and vendors for Website and App Development along with digital marketing.

ENTERED INTO SKILL DEVELOPMENT

Worked as a Joint venture (Technical Support & Skill Development) for a Govt project along with one of the top vocational training company in India.
